

Welcome New Guild Member!

We have an exciting year ahead of us with a full schedule of programs and workshops. Our Guild is hosting the biennial Colorado Weavers Day on May 18, 2024. As the current president of the guild, welcome and I look forward to meeting you! The first meeting of the 2023-2024 year will be on September 16, 2023. We meet on the 3rd Saturday every month from September through May, at the **Harvey Park Christian Church, 3401 South Lowell Blvd, Denver, CO 80236**. Hope to see you there!

The Guild was started in 1953 primarily by a group of weavers, and it has grown and expanded to embrace the entire fiber arts world. Our guild members have a wide variety of interests: including weaving, spinning, knitting, felting, basket making, painting, papermaking, jewelry, natural dyeing and eco-printing. Our members have a wide range of expertise from beginner to advanced. We have study groups that focus on weaving from beginner to 8-shaft and beyond, as well as knitting, spinning, natural dyeing and more. The Guild maintains an extensive library of fiber-related books and periodicals., and we have equipment available for rent.

Watch your email for notice of our monthly newsletters, the Shuttle Scuttle. It can help you stay informed of upcoming activities, programs, workshops, and fiber news. The newsletters are posted to our website, rmwg.org. Also on the website is information about guild offices and committees. Please feel free to contact me or any member of our Guild Board if you have questions or need help. Please don't hesitate to ask questions and get involved!

We want you feel welcome in our group of fiber artists. We invite you to attend meetings and learn more about our Guild. What are your interests and how can we meet your needs? Please share your work during the Show & Tell portion of our monthly meetings. I look forward to meeting you soon!

Thank you for joining the RMWG,
